

Rapid Load Drill & Bit Set

MPN: DT71507T-QZ

Mixed drill drive set with tough case for convenient storage and portability. Ideal for wood, metal drilling, screwdriving & nut setting applications. This multi-functional tool set which includes a rapid load nut setter & compact magnetic drive guide is useful for a variety of applications. The HSS-G drill bits are precision ground twist drills for rapid drilling. The high quality screwdriver bits are designed with a flexible torsion zone to absorb torque peaks & reduce breakage.

Contents: HSS-G drill bits: 4.5, 5.5, 6, 7mm, Bits 25mm: PH2 x2, Slotted: 6mm, PZ2 x 5, PZ3 x 2, T10, T15, T20, T25 x2, T30, Bits 50mm: PH2, PZ1, PZ3, T25, Rapid load Adaptor, Nut setter 10mm, Storage case
