

IP65 Die-Cast Aluminum Enclosures With Mounting Flange

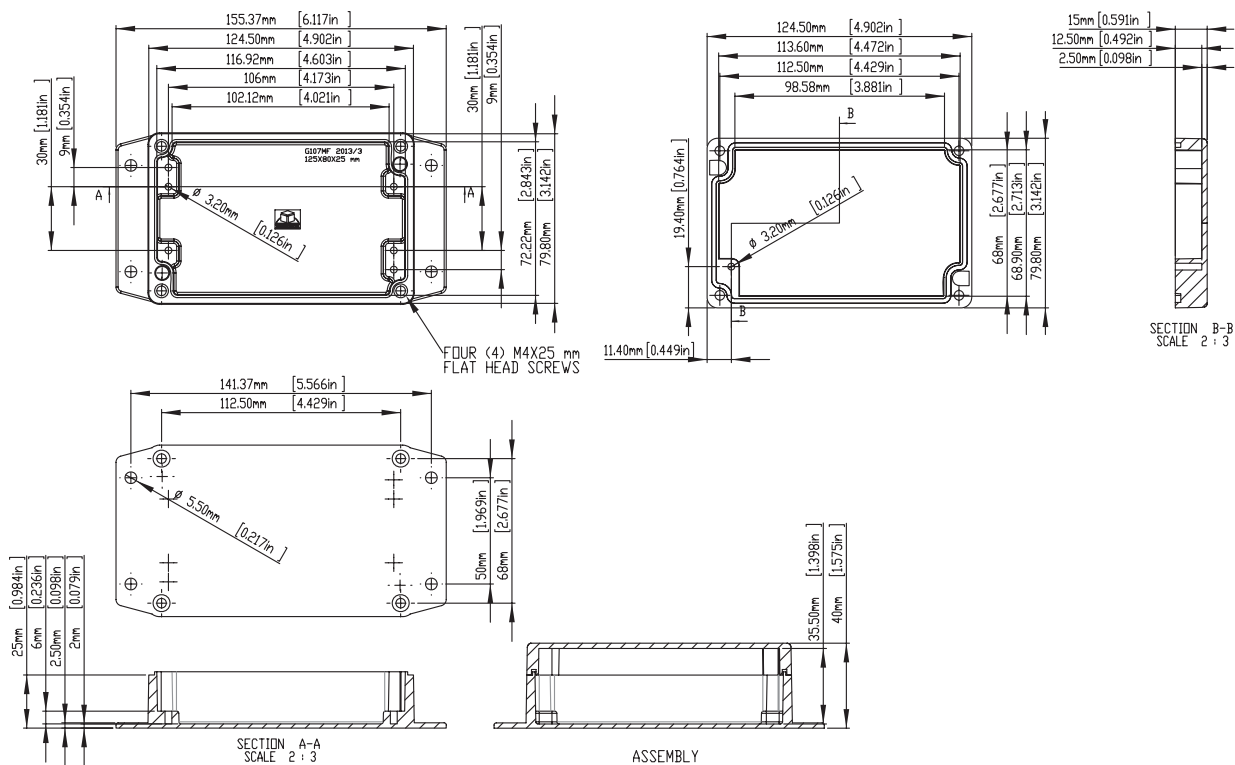

Product Information:

- Material : Aluminium Alloy.
- Finish : Natural Aluminium, Grey and Black colour.
- Designed to meet IP65 through the use of EPDM gasket with the universal tongue and groove seal system.
- Wall mounting holes and lid fixing screws are outside the sealing area for real sealing protection.
- Mounting Flange is designed on the bottom of the base, so the base can be mounted with M5 pan head machine screws on the wall easily.
