HD 2.30 Black

SENNHEISER

The Pursuit of Perfect Sound

HD 2.30 Black

With the HD 2.30 Black, Sennheiser has developed a compact, extremely lightweight headset. Available in two variations, the HD 2.30i is optimized for use with Apple products, while the HD 2.30G is fully compatible with Android devices. Both models feature a 3-button remote and microphone located on the cable, which conveniently allows to control music and take calls. The sturdy folding design makes it easy to take this headset everywhere.

- The ultra lightweight yet sturdy construction and folding design are ideally suited for listening on the go, and the secure on-ear fit ensures hour after hour of wearing comfort.
- Twin drivers from Sennheiser deliver accurate, well-balanced sound reproduction with powerful bass response.
- Apple or Android – The handy 3-button remote and microphone on the cable make it easy to control a portable Apple or Android device. Both variants are also available in White.
- High-quality components and carefully-selected materials for years of reliable use.
