Digital Postal and Shipping Scales

Save time and money. Weigh any envelope or package for precise postage, every time.

With DYMO Postal Scales you can weigh envelopes and packages up to 10 kg – without a trip to the Post Office or mailroom. Compact size fits on any desk and stores in most desk drawers. Powered by three AAA batteries (not included) or USB cable when connected to a PC or Mac (M5 and M10 only).

All DYMO Postal scales have the following features:

- "Hold" feature locks weight display for 10 seconds after package is removed – convenient when large package blocks view of display
- Tare function – weigh items in a container minus weight of container
- Automatic shut-off when scale not in use – prolongs battery life
