The Einhell cordless GE-LC 18 Li Chainsaw Kit combines the outstanding performance of an Einhell product with a high-quality OREGON guide bar and chain. Kickback protection with an instant-reaction mechanical chain brake and a stop claw keep you safe while you are working with the chainsaw. The rugged metal stop claw keeps the saw stable while you are working, and the ergonomic handle gives you a comfortable grip on the chainsaw. No tools are needed to adjust the chain tension or replace the chain. A big filler opening of the automatic chain lubrication system makes it easy to top it up if necessary. The set includes a fast charger and battery which can be used for all Power X-Change family products.
