### Positioning

- Compact and quick producing effortless cleaning performance

### User benefit

- The Bosch 360° Gun allows the jet to be angled so even unseen dirt can be easily removed
- One-handed operation means the free hand can hold lighter items or move the item whilst cleaning, making the process quicker and more thorough.
- The nozzle can be adjusted from a forceful cleaning jet to gentle rinsing, ideal for windows

### Highlights

- The high-pressure detergent nozzle reduces cleaning time by quickly applying the soap. Ideal for deeper cleaning on cars or waste bins
- Compact, portable design with a broad base for extra stability
- Ready to use out of the box so no customer assembly required
