

Material number	0 600 8B2 000	0 600 8B2 070
EAN	3165140870221	3165140870245
Package (D/W/H)	52 x 185 x 335 mm	52 x 185 x 335 mm
Charger	✓	✓

Technical data

Technical data

Battery type	Lithium-ion
Battery voltage	3.6 V
Cutting capacity up to	25 mm
Cuts per battery charge up to	450
Cutting system	Bypass
Battery charge time	3.5 h
Weight	490 g

Functions

Power Assist Technology	✓
-------------------------	---

Noise/vibration information

Sound pressure level	70 dB(A)
----------------------	----------

Sales information

Positioning

- More power in your hand

User benefit

- Power-assisted cutting – effortlessly cut branches up to 25 mm with Power Assist Technology
- Clean-cut pruning – supports healthy plant pruning, by providing a clean cut
- Easy charging – easily recharge with the dedicated Bosch micro USB charger

Highlights

- Easy and intuitive to use like manual secateurs. When resistance is detected, the power assistance function kicks in automatically
- Set the power assistance level to suit the work you're doing; there are three Power-Assist levels to choose from – low, medium and high
- Bypass cutting system with two stainless steel blades. The top blade can be exchanged easily
- Cutting of garden wire is easily done with a wire-cutting feature on the cutting blade
- Battery status indicator gives quick information about charge level of the battery
- Always ready to use: no memory effect and no self-discharge thanks to lithium-ion battery technology
