

Bosch Professional High Pressure Washer

GHP 5-75 X

Powerful robust for high-cleaning efficiency.

Adaptable: Pressure regulator and gauge adjustment to provide optimum water pressure on the job

High cleaning Power: Brass pump and stainless steel pistons producing a combination of high flow and pressure, resulting in high cleaning power

Durable: Hose reel with steel reinforced rubber hose for robustness even on rough job sites

Specification	GHP 5-75 X Professional	
Max. pressure (bar)		185
Rated pressure (bar)		140
Max. flow rate (l/hr)		570
Auto Stop		Yes
Pump system		Wobble Plate
Weight (inc. accessories)		28.2 kg
Pistons		Stainless steel
Motor type		Induction
Absorbed power		2.6 Kw
Detergent Suction System		Yes
Self-priming		Yes
Hose reel		Yes
Part number		0.600.910.870
Bar code		3165140810289
Included Accessories	Part number	
Vario Fan Nozzle lance		F.016.800.445
Roto Nozzle lance		F.016.800.448

Key Product Features	Consumer Benefit
Horizontal or vertical working positions	Versatile and flexible for different use situations
New gun design	With screw connector coupling allows a quick and easy change of accessories
10 metre hose reel	for ease of use and compact storage
Brass pump with steel pistons	Durable, robust and long lasting materials to minimize wear over long term use
Auto Stop technology	Isolates motor and pump to reduce wear of materials
Includes gun, hose and vario fan jet land roto nozzle lance as standard	Enough to cover most professional washing tasks
3 years parts and labour guarantee	100% consumer confidence
