Sales information

Positioning

- Cordless 18V Chainsaw - lightweight, compact and versatile.

User benefit

- Lightweight, compact and maneuverable for effective pruning in a variety of positions, weighing just 3kg including battery.
- “Stabilizing Tip Protector with Gripping Teeth” grips the wood, ensuring a clean undercut and minimizing branch damage.
- Easy to operate SDS system for fast assembly, chain tensioning and maintenance.

Highlights

- Power for ALL 18V – One battery for all Home & Garden tools. Equipped with the Syneon Chip for a longer battery runtime.
- Highly versatile - interchangeable between delicate pruning, waste management and firewood.
- Reduced risk of kickback.
- Restricted contact between the chain and the ground, increasing the lifetime of the chain.
- Pivoted trigger mechanism, fixed felling hand guard and soft grip handle for control, safety and comfort in use.
- Tethered oil cap and viewing window for easy refilling.
- On-board battery status indicator – LED system to show remaining battery charge.
