# Hook and Loop Braided Wrap

pro-**POWER**

Description

Hook and Loop braided wrap can help to create a tidy and well-regulated environment. It can be easily wrapped and closed over the cables. It can be re-opened rapidly to manage cables to be added or removed, and breakouts can be made simply by bringing cables out through Hook and Loop. Open weave design easily conforms to many irregular shapes.

Application

Hook and Loop braided Wrap is widely used for management of A/V cables and power cord in home theater, computer, TV support and so on.

RoHS Compliant
