Ear Shots: True Wireless Bluetooth Earphones & Power Case

Ear Shots: a unique pair of earphones, designed to stand out and stay put. Portable, lightweight and featuring true wireless technology, providing impressive audio performance without the hassle of tangling wires. The ergonomic design ensures the earphones securely fit in your ear. Comes with dynamic drivers for a deeper, more immersive sound experience and the latest Bluetooth connectivity for ultimate device compatibility. The handy power case not only stores your earphones when not in use but also charges them, providing up to 6 hours listening time for music on-the-go. An inbuilt microphone and hands-free function allow for more freedom when answering calls.
