

Round Cable Stripper, .178" - 1.57" Diameter

CJS200

- Unique to this type of tool, the CJS200 features two interchangeable cable retention guides giving it an incomparable stripping capacity of 0.18" to 1.57" (4.5-40 mm) in one tool. Both cable guides are included with each tool. The CJS200 can replace two or more similar products in the toolbox
- Easy to use: Positive locking positions for circular, lengthways, and spiral cuts
- No special tools required to interchange cable guides
- Safety strap can be attached to the eyelet at the base of the tool to prevent accidental dropping
- Ergonomic: The well-balanced design features rests for thumb, first, and little fingers to ease in raising of the cable retention guides
- Durable: Tested to over 100,000 cycles
- Economical: Replacement blade available (p/n CJS200B). Can be stored in the tool body

By rotating the body of the tool, the blade can be fixed in any of three positions to provide:
