Fusion: Bluetooth Speaker with Clock Radio and Wireless Charging Plate

A wireless speaker that’s got it all; with an array of modern features packed into a compact, retro design. Equipped with the latest Bluetooth technology, stream music wirelessly from your smart device and enjoy up to 5 hours playback with the inbuilt rechargeable battery. Rear Micro SD and AUX ports add to its versatility alongside a built-in FM radio and alarm clock functions. This stylish speaker also includes a wireless charging plate, enabling effortless charging for compatible devices without the need for additional wires.

- Compact, retro design that fits anywhere in your home
  - Stream your own music collection from your smart devices wirelessly via Bluetooth
  - Charge your compatible devices on the wireless charging plate (not using battery power)
  - Built-in FM radio and alarm clock functions
- Take wherever you go with the inbuilt 1200mAh rechargeable battery
  - Internal microphone for hands-free phone calls
  - Added multimedia functionality via the rear Micro SD and AUX (3.5mm) ports
