

**SAFETY DATA SHEET**  
**according to 1907/2006/EC, Article 31**  
**CLINITEX PRO MAXI PLUS WIPES R900**

**SECTION 1: Identification of the substance/mixture and of the company/undertaking**

**1.1 Product Identifier**

Product Name            Clinitex PRO MAXI PLUS Wipes R 900

**1.2 Relevant identified uses of the substance or mixture and uses advised against**

Product Use            (SU22) professional uses: Public domain (administration, education, entertainment, services, craftsmen); (PC39) Cosmetics, personal care products.

**1.3 Details of the supplier of the safety data sheet**

|           |                                                                                            |

**SECTION 2: Hazards identification**

**2.1 Classification of the substance mixture**

Main hazards            No Significant Hazard

**2.2 Label elements**

|                |                                                                                                     |
|----------------|-----------------------------------------------------------------------------------------------------|
| Risk Phrases   | No Significant Hazard<br>S2 – Keep out of the reach of children<br>S25 – Avoid contact with eyes    |
| Safety Phrases | S26 – In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. |

**2.3 Other hazards**

Issue Date: 06 June 2013  
Revision 3

Other hazards

This product does not contain any PBT or VPvB substances.

### SECTION 3: Composition/information on ingredients

#### 3.2 Mixtures

67/548/EEC/1999/45/EC

#### Further Information

|      |                                                                                                                                                                         |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| INCI | Aqua, Alcohol denat, Dimethyl glutarate, C9-11 Pareth 6, Glycerin, Dimethyl succinate, Dimethyl adipate, Parfum, DMDM Hydantoin, Iodopropynyl butylcarbamate, Limonene. |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### SECTION 4: First aid measures

#### 4.1 Description of first aid measures

|              |                                                                                                                                           |
|--------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Inhalation   | Considered to be not hazardous by inhalation. Seek medical attention if irritation or symptoms persist. Not relevant                      |
| Eye Contact  | Rinse immediately with plenty of water for 15 minutes holding the eyelids open. Seek medical attention if irritation or symptoms persist. |
| Skin Contact | No irritation expected. Wash off immediately with plenty of soap and water. Seek medical attention if irritation or symptoms persist.     |
| Ingestion    | Rinse mouth thoroughly. DO NOT INDUCE VOMITING. Seek medical attention if irritation or symptoms persist.                                 |

#### 4.2 Most important symptoms and effects, both acute and delayed

|              |                               |
|--------------|-------------------------------|
| Inhalation   | No specific symptoms noted.   |
| Eye Contact  | May cause irritation to eyes. |
| Skin Contact | May cause irritation to skin. |
| Ingestion    | No specific symptoms noted.   |

#### 4.3 Indication of any immediate medical attention and special treatment needed

If you feel unwell seek medical advice (show the label where possible) no specific first aid measures noted.

## SECTION 5: Fire fighting methods

### 5.1 Extinguishing media

This product is not flammable. Use extinguishing media appropriate to the surrounding fire conditions.

### 5.2 Special hazards arising from the substance or mixture

None

### 5.3 Advice for fire fighters

No specific fire fighting procedure given.

## SECTION 6: Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

Avoid contact with eyes. Surfaces contaminated with the product will become slippery.

### 6.2 Environmental precautions

Do not allow product to enter drains. Do not flush into surface water.

### 6.3 Methods and material for containment and cleaning up

Clean spillage area thoroughly with plenty of water.

### 6.4 Reference to other sections

For waste disposable see section 13.

## SECTION 7: Handling and storage

### 7.1 Precautions for safe handling

Avoid contact with eyes. Do not eat drink or smoke in areas where this product is used or stored. Wash hands after handling the product. Adopt best manual handling considerations when handling, carrying or dispensing.

### 7.2 Conditions for safe storage, including any compatibilities

Keep out of the reach of children. Keep in a cool, dry, well ventilated area. Keep containers tightly closed. Store in correctly labelled containers. Do NOT allow to freeze.

### 7.3 Specific end use(s)

Restricted to professional users.

## SECTION 8: Exposure controls/personal protection

### 8.1 Control parameters

#### 8.1.1 Exposure limit values

|                           |                                             |                                                                               |
|---------------------------|---------------------------------------------|-------------------------------------------------------------------------------|
| Ethanol                   | WEL 8-hr limit ppm- 1000                    | WEL 8-hr limit mg/m <sup>3</sup> : 1920                                       |
|                           | WEL 15min limit ppm-<br>WEL 8-hr limit ppm- | WEL 15-min limit mg/m <sup>3</sup> -<br>WEL 8-hr limit mg/m <sup>3</sup> : 10 |
| Glycerol (Glycerol, mist) | WEL 15min limit ppm-                        | WEL 15-min limit mg/m <sup>3</sup> -                                          |

### 8.2 Exposure controls

8.2.1 Appropriate Engineering controls      Keep in a cool, dry, well ventilated area

8.2.2 Individual protection measures  
Eye/Face protection      Wear approved safety goggles, provide eye washstation.

8.2.3 Environmental Exposure controls  
Skin protection      Do not empty into drains. Do not flush into surface water.

## SECTION 9: Physical and chemical properties

### 9.1 Information on basic physical and chemical properties

|        |                       |
|--------|-----------------------|
| State  | Impregnated wet wipes |
| Colour | White                 |
| Odour  | Characteristic        |
| pH     | 5.5 – 8.5             |

### 9.2 Other information

This product does not support combustion

## SECTION 10: Stability and reactivity

### 10.1 Reactivity

No specific reactivity hazards associated with this product.

### 10.2 Chemical stability

Stable under normal conditions. This product is not flammable. Will not decompose if stored and used as recommended.

### 10.3 Possibility of hazardous reactions

Strong acids and strong bases. Strong oxidising agents.

### 10.4 Conditions to avoid

Heat. Do NOT allow to freeze.

### 10.5 Incompatible materials

Strong acids and strong bases. Strong oxidising agents.

## 10.6 Hazardous decomposition products

Burning produces irritating, toxic and obnoxious fumes.

## SECTION 11: Toxicological information

### 11.1 Information on toxicological effects

|                                   |                                                                             |
|-----------------------------------|-----------------------------------------------------------------------------|
| Acute toxicity                    | Based on available data the classification criteria are not met.            |
| Skin corrosion/irritation         | Based on available data the classification criteria are not met.            |
| Serious eye damage/irritation     | May cause irritation to eyes                                                |
| Respiratory or skin sensitisation | Based on available data the classification criteria are not met.            |
| Germ cell mutagenicity            | No mutagenic effects reported.                                              |
| Carcinogenicity                   | No carcinogenic effects reported.                                           |
| STOT- repeated exposure           | No classified as a specific target organ toxicant after repeated exposure.  |
| Aspiration hazard                 | Based on available data the classification criteria are not met.            |
| STOT-single exposure              | Not classified as a specific target organ toxicant after a single exposure. |
| Reproductive toxicity             | No teratogenic effects reported.                                            |
| 11.1.4 Toxicological Information  | No data available                                                           |

## SECTION 12: Ecological information

### 12.1 Toxicity

No data available

### 12.2 Persistence and degradability

The surfactant(s) contained in this preparation complies (comply) with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents. Data to support this assertion are held at the disposal of the competent authorities of the Member States and will be made available to them, at their direct request or at the request of a detergent manufacturer.

### 12.3 Bioaccumulative potential

No data is available on this product.

### 12.4 Mobility in soil

### 12.5. Result of PBT and VPvB assessment

This product does not contain any PBT or VPvB substances.

### 12.6 Other adverse effects

Not known.

## SECTION 13: Disposal considerations

### 13.1 Waste treatment methods

Contact a licensed waste disposal company. Dispose of as special waste in compliance with local and national regulations. For disposal within the EC, the appropriate code to the European Waste Catalogue (EWC) should be used. Empty containers can be sent to landfill after Cleaning, if in compliance with, local and national regulations.

## SECTION 14: Transport Information

14.6. Special precautions for user : Not applicable

14.7. Transport in bulk according to Annex MARPOL 73/78 and the IBC Code: Not applicable

ADR/RID

The product is not classified as dangerous for carriage.

IMDG

The product is not classified as dangerous for carriage.

IATA

The product is not classified as dangerous for carriage.

Further information

The product is not classified as dangerous for carriage.

## SECTION 15: Regulatory information

### 15.1 Safety, health and environmental regulations/legalisation specific for the substance or mixture

EU Regulation. This is a cosmetic product regulated by Directive 76/768 (as amended) & Regulation EC No1223/2009 (as amended) and is thus exempt from the Safety Data Sheet requirements of Regulation EC No 453/2010. It is also exempt from the classification, Labelling and Packaging Regulation (EC) No 1272/2008

### 15.2 Chemical safety assessment

No chemical safety assessment has been carried out.

## SECTION 16: Other information

Other information

This document differs from the previous version in the following areas:

2-2.1 Classification of the substance or mixture

3 – INCI.

9-9.2 Other information.

9 - Supports combustion.

14 - ADR/RID.

Revision

14 - IATA.  
15 - Risk phrases.  
15 - Safety phrases.  
15 – 15.1 Safety, health and environmental regulation specific for the substance or mixture.  
R10 – Flammable.  
R11 – Highly flammable  
R22 – Harmful if swallowed.  
R38 – Irritating to skin.  
R41 – Risk of serious damage to eyes.  
R 43 – May cause sensitisation by skin contact.  
R50/53 – Very toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment.

Text of risk phrases in  
section 3

Further information

The information supplied in this Safety Data Sheet is designed only as guidance for the safe use, storage and handling of the product. This information is correct to the best of our knowledge and belief at the date of publication however no guarantee is made to its accuracy, reliability or completeness. This information relates only to the specific material used in combination with any other materials or in any other process. It is the user's responsibility to satisfy him /her as to the suitability of such information for his/her own particular use.
