

## Professional tool bag with a large number of pockets

raaco ToolBag Pro is ideal for the professional user, being extremely wear-resistant and capacious. The design includes unique features for storage of a wide selection of tools and accessories.

raaco ToolBag Pro is made from the strong 600D polyester, which is resistant to most chemicals among others.

The 3 tool bags are all reinforced with a metal frame for stability, and the long hard plastic feet at the bottom protect the tools against wet surfaces. The bottoms of the pockets are reinforced in order to withstand the weight of tools and sharp objects.

ToolBag Pro includes a removable shoulder strap. The strap is adjustable in length and is ergonomically designed. The strap hangs securely on the shoulder and reduces the strain on the shoulder from heavy weight.

**New improved version.**

### 16" ToolBag Pro

Item no.	Description	Size (HxWxD, mm)	Colour	Qt
