

Product data sheet

Product Code: PKN1211

Product Name: Modelcraft Retractable Hobby Knife #1

Product details: This lightweight craft knife features a two-step retractable blade, ideal for both close-up detail work and tasks where extra reach is required. The blade can be fully retracted into the handle for safe storage when not in use.

The plastic handle with soft rubberised grip is comfortable and easy to handle, perfect for modelling, hobby, art, craft and smaller DIY tasks.

#1 Handle compatible blades:

PKN1710	(5) #10 General purpose curved blades
